Attorney Dawn Hassell Named to The Best Lawyers in America® 2027 for Third Consecutive Year

San Francisco personal injury attorney again recognized by her peers for excellence in Plaintiffs Personal Injury Litigation

SAN FRANCISCO, CA, UNITED STATES, September 15, 2026 / EINPresswire.com/ -- The Hassell Law Group is pleased to announce that founder and Managing Attorney Dawn L. Hassell has been selected for inclusion in the 2027 edition of The Best Lawyers in America® in the practice area of Plaintiffs Personal Injury Litigation.

This honor marks Attorney Dawn Hassell's third consecutive selection, following recognition in the 2025 and 2026 editions.

Best Lawyers is one of the legal profession's longest-standing and most respected peer-review publications. Recognition is based on confidential evaluations submitted by leading attorneys regarding the professional abilities of their colleagues within the same geographic region and practice area. For the 2027 edition, more than 32,000 attorneys participated in approximately 3.8 million peer evaluations, with only a small percentage of practicing lawyers ultimately recognized.

For Attorney Dawn Hassell, the continued recognition reflects more than two decades devoted exclusively to representing individuals and families whose lives have been changed by serious injuries and wrongful death.

"Being recognized by fellow attorneys is particularly meaningful because they understand the commitment, preparation, and perseverance required to successfully represent people facing life-changing injuries," said Ms. Hassell. "I am grateful for this recognition and incredibly proud of

the work our entire team does on behalf of our clients."

Ms. Hassell has more than 27 years of experience in personal injury law and has built a record of significant results in complex cases involving motor vehicle collisions, commercial trucking accidents, pedestrian and bicycle accidents, motorcycle crashes, premises liability, traumatic brain injuries, catastrophic injuries, and wrongful death.

Her results include a $12.5 million settlement for a woman seriously injured in a head-on collision caused by a commercial truck driver, a $5 million settlement arising from a commercial vehicle collision, a $4.67 million judgment for a motorcyclist injured by a wrong-way driver, and a $4.5 million settlement for a pedestrian who suffered a traumatic brain injury after being struck in a crosswalk.

Ms. Hassell's professional recognition also includes more than a decade of selection to Northern California Super Lawyers, membership in the Multi-Million-Dollar Advocates Forum, selection to The National Trial Lawyers Top 100, and recognition among Lawyer Monthly's 2026 Top 100 Personal Injury Attorneys in the United States.
