Alan Freeman Ministries International surpasses 1 million annual YouTube views

Manchester pastor and author Alan Freeman's channel reaches 87,000 subscribers and 551 free teaching videos as it nears the 100,000-subscriber mark.

Alan Freeman Ministries International has surpassed 1 million YouTube views in the past 12 months, with more than 87,000 subscribers and 551 teaching videos.

MANCHESTER, CA, UNITED STATES, September 14, 2026 / EINPresswire.com/ -- Alan Freeman Ministries International (AFMI), the Manchester-based ministry founded by pastor and author Alan Freeman, has passed one million views on its YouTube channel in the past 12 months, the ministry announced today. The Alan Freeman Ministries channel now has more than 87,000 subscribers and a library of 551 teaching videos on deliverance ministry, spiritual warfare, praying in tongues, biblical forgiveness and biblical sexuality.

Freeman, who has served in Christian ministry since 1983, founded Christ Church 4U in Manchester and launched AFMI in 2024 to bring his teaching to a worldwide audience. He is the author of five books, including Unbothered: How to Overcome Past Hurts, Entrust Your Pain to God, and Become the Most Powerful Person in Any Room and The Spiritual Deep Clean: Unleashing Freedom Through Deliverance.

The channel's growth has been built on a consistent schedule of free teaching: the Praying in Tongues Together Bootcamp, a two-hour live broadcast every weekday; a weekly live Book Club, in which Freeman teaches through his published books; a live Praying in the Spirit broadcast on the first Saturday of each month; and a free 40-Day Prayer Challenge available at afmi.co.uk. The channel's most-watched teaching, on what the Bible says about homosexuality, has been viewed more than 100,000 times.

"I never set out to build a YouTube channel. I set out to help people get free," said Alan Freeman, founder of Alan Freeman Ministries International. "Every one of those million views is a person

somewhere in the world asking how to forgive, how to pray, or how to get out from under something that has been crushing them for years. That is what we are here for, and it will stay free."

The ministry's digital growth has coincided with rising interest in Freeman's books, published by Alan Freeman Ministries International and available on Amazon: Unbothered (2026), The Spiritual Deep Clean (2025), Your Heavenly Superpower: How Every Believer Can Pray in Tongues (2025), Sexuality: What the Church Should Be Telling You But Is Too Afraid to Say (2024) and the children's book The Pigs (2024), published in both English and Spanish.

AFMI is now approaching 100,000 subscribers and continues to expand its free teaching library, while Freeman speaks at churches and conferences in the United Kingdom and internationally, including Slovakia.
