

Sure Payment Solutions Wins Alternative Lending Competition for Charity

/EINPresswire.com/ The [ALS Association](#) and [Hurricane Sandy Relief Foundation](#) Will Benefit

New York-based [Sure Payment Solutions](#) (SPS) has been named the winner of the alternative business lending fantasy football league. This accomplishment grants them the honor of distributing all of the funds raised to a registered 501(c)(3) non-profit organization of their choice. Sixteen companies made contributions to reach a total prize of \$7,100.

Raharney Capital, LLC

SPS originally intended to select the ALS Association, but in light of the damage caused to their own community by Hurricane Sandy, they opted to split the donation in half. \$3,550 was donated to the ALS Association and an equal amount to the Hurricane Sandy Relief Foundation.

Paul Giuffrida, a managing partner at SPS offered this feedback:

"When the idea of playing fantasy football for charity was first discussed, we loved it. Competing for charity was a wonderful way to bring our industry together and give back to organizations near and dear to us. We're so excited and humbled that we have won the honor of presenting our charities with these donations. We're already looking forward to playing again next year!"

The league managers would like to once again thank the companies that contributed to the prize:
