Mr. Rzaca stated "It seems like just yesterday we were doing our first rental and here it is 1000 happy clients later. And I truly mean 1000 satisfied clients!"

It takes a lot of planning and prep work to have a successful event and Extreme Photo Booths has worked hard to reach this milestone of 1000 happy customers! Extreme Photo Booths 1000th photo booth rental was a beautiful Autumn wedding. The reception was decorated with beautiful fall colors and the room was lit by beautiful pillar candles. The candlelight made the room sparkle. The bride was so excited to find out that her wedding was Extreme Photo Booths 1000th event. She announced our milestone to the entire reception and the DJ even helped celebrate by playing Celebration by Kool and the Gang. Even the photographer took their picture and stated they would put it into the bride's wedding album marking the event. Everyone applauded, danced and then enjoyed themselves with a turn in the photo booth.

Extreme Photo Booths has become a leader in the business and it just doesn't happen by accident. They works closely with each client, to ensure they get exactly what they want. By the day of the event, Extreme Photo Booths knows their client and can ensure that they will have a successful and fun event with many happy memories. So let's celebrate as Extreme Photo Booths continues to provide superior, professional and fun events.
