

Alfred De Carolis, Hires VP of Wolfgang Puck Restaurants to Become President of 9021PHO

/EINPresswire.com/ It takes special knowledge and a certain amount of experience to make a restaurant experience truly great, and the majority stock holder wasn't satisfied with the weaker candidates. Instead, [Alfred De Carolis](#) has hired only the very best to lead the expansion of 9021pho.

When reservations need to be made weeks in advance to ensure a seat, it's a sure bet that a restaurant is a rousing success. Now, investor and entrepreneur Alfred De Carolis has tapped into the talents of a man who helped make this possible at the Wolfgang Puck restaurants by asking Greg Aghamanoukian to assume the mantle of President of 9021pho and help make the incredible growth of the business into a rousing and ongoing success.

Greg will be joining an experienced team of industry professionals as 9021pho focuses on expansion plans over the next five years, bringing his own management expertise in to help with Alfred De Carolis' investment knowledge and Chef Kimmy Tang's culinary visions. Together, these three leaders will be supporting each other and helping make 9021pho into one of the most delightful locations for food seekers to find.

However, unlike Wolfgang Puck, 9021pho does not intend to require customers to make their reservations weeks in advance. Instead, visitors are encouraged to come in on their own time or check out when 9021pho's professional catering will be available in their area. With guidance from Greg Aghamanoukian on the business essentials as 9021pho grows explosively outwards, families will be able to enjoy the same high-quality meals and service no matter which of the upcoming dozens of locations they live close to.

With international flavors and techniques, a menu that includes everything from tea-time to dinner, and some of the most powerful names in the business backing it up, 9021pho will continue to benefit from the expertise and knowledge of its leadership for years to come.

9021pho is co-owned by Alfred De Carolis and run by Chef Kimmy Tang and provides some of the finest Vietnamese meals in California. Casual attire is both permitted and encouraged at each location, and 9021pho has made efforts to ensure that all locations are fully accessible to patrons. Delivery is available to the Beverly Hills, Westlake Village, Glendale, and Sherman Oaks areas. For more information, check out www.9021pho.com. Store hours may vary by location.
