Dallas, TX – Texas property owners who fail to pay their annual property taxes in January face severe penalties and fees on top of their debt to the county tax office. RETax Funding offers help in the form of commercial and [residential property tax loans](#) that relieve Texas taxpayers of their obligation to pay the county tax offices directly. In order to better serve their clients across the state, ReTax Funding recently collaborated with Advice Interactive Group, an Internet marketing firm in Dallas, to launch a new web site.

The professionals at RETax Funding work to reduce the stress Texas home and business owners feel when they are delinquent on their property taxes. If a taxpayer has accrued over \$1,500 in penalties and fees, RETax Funding can pay the debt directly to the county tax office and offer the taxpayer an affordable monthly plan for repayment. There is no credit check involved, and the process usually has a three-day turnaround period, making it one of the fastest services in the state.

RETax Funding's main offices are located in Dallas:
14785 Preston Road, Suite 495
Dallas, Texas 75254
972-855-3550

The new tax information website allows visitors to read about the property tax loan process, which includes only four simple steps. Taxpayers seeking relief from their property tax debt can apply for a loan online through a step-by-step form. The new website also allows current taxpayers working with RETax to pay their bills online without ever having to leave the main site.

Spanish-speaking visitors can call RETax Funding directly to speak to a representative in Spanish.
