

# Alfred De Carolis Invests in L. A. Based Restaurants that Celebrate Vietnamese Food and Culture

/EINPresswire.com/ Food has long been one of the staples of Vietnamese culture. Now, 9021pho is proud to announce a partnership with [Alfred De Carolis](#) to help bring the tastes and culture of Vietnam to the California region.

The world of food is an exciting place that people return to day after day in order to whet their appetites. Since its inception, 9021pho has strived to provide customers with some of the finest Vietnamese food available; from hot Sow Mee White Tea to delicious Pho soups, traditional appetizers, and creative entrée's that blend traditional Vietnamese ingredients with culinary styles and techniques from around the world.

Now, 9021pho is delighted to announce a partnership with investor Alfred De Carolis. An entrepreneur from the California region, Alfred De Carolis has already made his mark and shown brilliant leadership techniques throughout his wide variety of investments and business engagements. With this new funding, 9021pho will be able to continue to provide the finest ingredients and the most creative meals to each of the guests that enter one of 9021pho's California locations.

At 9021pho, there is a philosophy that the greatest foods can only be made with intent; for this reason, the store team is very careful when selecting ingredients and makes certain that only the finest meats, vegetables, and noodles are ever put on a plate. This technique extends to the acquisition of other international items as well; from the Japanese Nihonshu spirits to local vintages from California's expansive orchards, the investment of Alfred De Carolis has helped to allow 9021pho to continue to focus on quality instead of quantity and provide diners in the Los Angeles region with meals they can truly remember.

On top of the acquisition of the finest ingredients, Alfred De Carolis will also be helping 9021pho expand its restaurant locations and allow more people than ever before to enjoy the finest in Vietnamese dining.

9021pho is co-owned by Alfred De Carolis and run by Chef Kimmy Tang and provides some of the finest Vietnamese meals in California.
