/EINPresswire.com/ America's Dream HomeWorks is a family owned and operated home improvement company that has been specializing in home and light commercial remodeling for over a decade in Sacramento and the surrounding area.

Homeowners and businessmen looking to make improvements on their property in the Pacific Coast are fast turning to America's Dream HomeWorks, a company based in Sacramento, California specializing in remodeling and construction of residential and light commercial structures in the area.

Owned and managed by CEO Vlad Chernioglo, America's Dream HomeWorks comprises of a team of professionals with a proven track record in turnkey construction and remodeling every area of a house -- from custom [kitchen and bathroom countertops](#), durable vinyl facades and windows to wood parquet floors and brick fireplaces. A showcase of their completed works may be seen in their office in Sacramento, California as well as in their website, www.dreamhomeworks.com.

Remodeling is a great way of giving homes a fresh new look and adding to the comfort of the homeowners. It also adds value to the structure with a little investment, especially for people who are looking to sell their property at a much better price. New home buyers also turn to remodeling to fit the house to their preference.

America's Dream HomeWorks is licensed in general contracting, glazing, plumbing, electrical works and decking in several states, with a customer base of over 5,000 satisfied home and business owners spread across the Pacific Coast alone. Some customers rave about the great service they received:

Chris R. of Palo Alto, CA whose kitchen, bathroom and windows were remodeled by America's Dream HomeWorks, has this to say about their service: "My wife and I had a great experience with America's Dream HomeWorks from beginning to end. We met with their staff and they listened to our needs and provided insightful suggestions about meeting our goals and

improving our living space. They spent the time to walk us through the details and timing of every aspect of the job. We had a two person crew do all of the work except for the tile and floors and they were terrific. Very clean and friendly, and always helping us make good decisions throughout the project. We love the new windows, newly refinished bathroom, amazing new kitchen, and all new [hardwood floors](#). We could not be happier!"
