Photographer Anita Miller of Nature's Images by Design, will be showcasing and gifting celebrities with images from her "Divine Reflections from Provence Collection" at GBK's Luxury Gift Lounge in Honor of the 2013 Academy Awards Nominees & Presenters.

"The Doorway to Serenity," the centerpiece of "Divine Reflections," will be on display at The Artisan Group exhibit and each celebrity gifted with a The Artisan Group swag bag will receive one of four, 4" x 6" (5" x 7" matted) prints from the Collection, either "Empty Streets of Provence," "Side Streets of Provence," "French Bicycle on a Side Street" or "The Doorway to Serenity."

Miller's recent travels to France were the genesis of the "Divine Reflections from Provence" photographs. "The Doorway to Serenity" was inspired by Miller's visit to Saint-Paul Asylum in Saint Rémy, the place where Vincent Van Gogh battled mental illness but also created some of his most beautiful paintings.

"The bucolic setting of Saint-Paul belies the fact that it was an asylum housing much suffering," commented Miller. "Today it might be considered a pleasant place to seek respite and healing from a hectic world; in other words, serenity. I'm sure Van Gogh hoped for the same."

In recent months, aside from preparing and packaging 100 photo prints for the Oscars swag, Miller has been responsible for organizing three popular Female Photographers of Etsy (fPOE) virtual exhibits; the inaugural "Holiday Art Show" in November, the "For the Love of Photography

Miller has gifted the Press at the Official Gift Lounge for the 46th Annual CMA Awards in October and at GBK's Luxury Gift Lounges for the 2012 Primetime Emmys and the 2013 Golden Globes. For the Golden Globes, she gifted industry insiders at a specially arranged Industry Mixer. Miller has also had her photography included in collaborative gift bags for Jordin Sparks, Mila Kunis, Mariska Hargitay and Amy Poehler.
