Rand Group recognized by NetSuite as a 2026 Alliance Partner Spotlight Winner in Energy

Energy category win reflects Rand Group's specialized NetSuite expertise across family office and oil and gas accounting

HOUSTON, TX, UNITED STATES, September 17, 2026 /EINPresswire.com/ -- Rand Group, a business and technology consulting firm and NetSuite Alliance Partner, today announced that NetSuite has named the firm a Summer 2026 Alliance Partner Spotlight Winner in the Energy category. The recognition honors Rand Group's NetSuite implementation for Henry Resources LLC, a family office managing oil and gas investments across dozens of entities.

> The most important part of this recognition is the client success behind it”
> *Daniel Owen, Vice President at Rand Group*

The NetSuite Alliance Partner Spotlight Awards recognize partners for successful NetSuite implementations and their commitment to customer outcomes. Alliance Partners provide consulting, integration, and implementation services to help organizations get more value from NetSuite.

Rand Group earned the Energy category recognition for helping Henry Resources replace fragmented accounting systems and manual processes with one scalable NetSuite environment. Rand Group also implemented its Joint Interest Billing solution, built directly inside NetSuite, to support specialized oil and gas accounting requirements.

"The most important part of this recognition is the client success behind it," said Daniel Owen, Vice President at Rand Group. "Henry Resources trusted Rand Group to help replace a complex mix of accounting systems and manual processes with a unified NetSuite platform. This award recognizes what can happen when strong technology, industry experience, and a collaborative client partnership come together."

To learn more about the implementation, read the full Henry Resources case study.
