ATLANTA, GA, UNITED STATES, September 17, 2026 / EINPresswire.com/ -- ATLANTA, Sept. 11, 2026— RST Roofing and Renovations, LLC has announced that it is now offering composite roofing materials from DaVinci Roofscapes, expanding the premium roofing options available to homeowners across Metro Atlanta. DaVinci Roofscapes manufactures composite shingles and siding designed to replicate the appearance of natural slate and cedar shake.

The systems carry a Class A fire rating and a Class 4 impact rating, which is the highest available classification for hail resistance. Wind resistance is certified to 110 mph under the American Society for Testing and Materials' straight-line wind testing. They have also been tested up to 180 mph under high-velocity hurricane zone standards. Atlanta homeowners can choose from single-width and multi-width profiles across slate, shake, and specialty lines, including Inspire® Slate and Province™ Slate.

"RST Roofing and Renovations has the expertise and training to install high-quality, durable composite roofing systems, and every project is backed by proven installation practices," said Jeff Teitelbaum, owner of RST Roofing and Renovations, LLC.

RST Roofing and Renovations stands behind its workmanship on every installation. Homeowners interested in DaVinci Roofscapes products in Atlanta can learn more about available profiles and schedule a consultation. RST Roofing and Renovations serves homeowners throughout Metro Atlanta.
