Rolando's H.V.A.C. Named HVAC Company of the Year in Tampa

The Consumer Ratings Institute recognizes the family-owned Tampa company for its fast, reliable HVAC service and strong customer reputation.

TAMPA, FL, UNITED STATES, September 17, 2026 /EINPresswire.com/ -- Rolando's H.V.A.C. has been named HVAC Company of the Year for Tampa by the Consumer Ratings Institute, recognizing the family-owned company's reputation for fast, dependable heating and cooling service across the Tampa Bay area.

Founded by Rolando with a commitment to delivering quality HVAC solutions to the local community, the company offers air conditioning repair, maintenance, installation, and replacement, along with heating services including heat pumps and furnaces, ductless mini-split systems, ductwork and attic insulation, and smart thermostat installation. The company operates a 24/7 service line and emphasizes same-day repairs, free estimates, and fair pricing over the impersonal feel of a national chain.

Rolando's H.V.A.C. is BBB A+ rated and accredited, staffed by NATE-certified technicians, and holds Florida License #CAC1820272. The company has been ranked in the top 1% of Florida contractors and is Energy Star certified, serving more than 15 communities throughout Tampa Bay. That combination of technical expertise and responsive service has helped the company build a 4.9-star rating across 1,800+ reviews.

"We built this company to feel like the neighborhood HVAC team, not a call center," said a Rolando's H.V.A.C. representative. "Being recognized by the Consumer Ratings Institute is a direct reflection of the relationships we've built with Tampa Bay families and businesses over the years."

The HVAC Company of the Year distinction adds to Rolando's HVAC standing as a trusted name in Tampa, underscoring the company's fast response times and consistent quality of work.

About Rolando's HVAC
Rolando's HVAC is a family-owned heating and cooling company based in Tampa, Florida, offering air conditioning and heating repair, maintenance, installation, and replacement across the greater Tampa Bay area. The company is BBB A+ accredited, staffed by NATE-certified technicians, and known for fast response times and fair pricing.

About the Consumer Ratings Institute
The Consumer Ratings Institute is a national business recognition registry based in New York, evaluating businesses across all sectors using aggregated public review data. The Institute issues recognitions across multiple categories based on publicly accessible consumer reviews.
