It seems that with every passing year the engineers at Jeep strive to push the limits of automotive design and innovation. Having recently received a massive shipment of brand new 2013 Jeep vehicles, interested buyers now have the opportunity to experience what this year's new crop has to offer at Northstar Jeep in Redcliffe.

"Drivers looking for a Jeep in Brisbane need a vehicle that is capable and reliable, but also manages to be affordable. With Jeep's impressive combination of style, over-engineered design and fuel efficiency, our Redcliffe area customers will love what the 2013 Jeeps have to offer," said Bob Aldons of Northstar Chrysler Jeep Dodge in Redcliffe (<http://www.redcliffe.cjddealer.com.au/>).

Northstar Chrysler Jeep Dodge has every new Jeep model in stock including the versatile, family friendly Compass and Patriot, the iconic Cherokee and Grand Cherokee, and the rugged Wrangler and Wrangler Unlimited. Drivers who stop in to Northstar can even experience the all new Jeep Grand Cherokee SRT8, Jeep's most powerful SUV ever.

"Jeep has always been known as an innovator, but the new Grand Cherokee SRT8 is truly the cutting edge of design and performance. More than just eye-catching, we've found that once our customers take a test drive it's all they can talk about. We're excited for more drivers to have a chance behind the wheel of Jeep's newest addition," Aldons added.

Drivers interested in more information or looking to book a test drive can visit the Northstar website at <http://www.redcliffe.cjddealer.com.au/>.
