The Love Infinitely necklace is handcrafted in copper and sterling silver. The focal is a copper band, hand-stamped with the phrase "Love Infinitely." The stamped band is twisted and when worn, the opposite side reveals a subtle infinity sign. The focal is attached to a sterling silver chain and measures 15" long.

Each of the 100 necklaces being gifted to celebrities is nestled in Courtenay J Designs' branded aqua and chocolate gift box and tucked inside an organza bag with a QR coded business card.

According to Courtenay Madsen, designer/owner, Courtenay J Designs, the Love Infinitely piece was inspired in part by Buzz Lightyear's inspired decree, 'To infinity and beyond,' from the movie Toy Story. "This world needs more optimism, love and compassion, and this piece of [inspiration jewelry](#) is the perfect reminder," said Madsen. The piece also reflects the designer's passion for copper, especially when paired with sterling silver. "It has the most beautiful shine and just pops against the sterling."

Courtenay J Designs creates on-trend yet classic, mixed metal, [hand-stamped pendants](#), necklaces, bracelets, earrings and rings in sterling silver, copper and 14k gold filled.

[Wedding jewelry](#), kids jewelry and name jewelry are just some areas of specialization. The fun

and affordable designs can be whimsical, romantic, inspirational or even literary, depending on the stamping. Whether incorporating quotes from the Bard ("Shakespeare in Love") or fondly recalled quips a la Peter Pan ("Happily Ever After"), the Collections show Madsen's love of all things literary and her passion for mixed metals.

"At Courtenay J Designs we are truly passionate about designing and making jewelry," noted Madsen. "In 2013, our customers can look forward to seeing our best designs ever."

Every Courtenay J Designs piece of jewelry is custom-made to order by Madsen herself, out of her studio in Melbourne, Florida. Courtenay J Designs is active in support of charitable groups and donates jewelry to help raise funds for local public and private schools, two autism awareness organizations and Team in Training, which raises money for the Leukemia and Lymphoma Society.
