Also in attendance were Professor Zoran Poposki, Laureate of this year's Global Fred Award, Fellow of the Royal Society of Arts (UK) and Associate Professor, Deputy Head of the Department of Cultural and Creative Arts, The Education University of Hong Kong; Mr. Liu Wei, National Swimming Champion of China and Fellow of the University of Cambridge; Professor Marcus Vinícius De Freitas, Laureate of this year's Global Fred Award, Member of the Maritime Arbitration Commission and Professor at China Foreign Affairs University; Mr. Wu Jianjun, Laureate of this year's Global Fred Award and Vice Dean of the School of Information and Media, Beijing College of Politics and Law; Associate Professor Wu Zhuohao, Laureate of this year's Global Fred Award from the Communication University of China; Mr. Qi Chong, Laureate of this year's Global Fred Award, Chairman of Global Oasis Climate Fund and Executive Director of Pando Finance Co., Ltd., together with over one hundred other guests.

As a globally recognized honor, the Global Fred Award boasts laureates spread across all continents. Though some overseas awardees could not attend in person, they specially sent congratulatory video messages. Mr. Ernie Klassen, Member of Parliament of Canada; H.E. Sashko Nasev, Ambassador of North Macedonia to China; Prof. Ranko Škrbić, Acting Rector of the University of Banja Luka, Bosnia and Herzegovina; Mr. Paul Kallee-Grover from the United Kingdom and others delivered their congratulations to the conference via video.

At the event, witnessed by ambassadors of multiple countries to China and Global Fred Certification laureates, an official strategic partnership plaque-awarding ceremony was held between Zhongguancun (Daxing) International Hydrogen Energy Demonstration Zone and Canada Global Fred Award & Certification, marking the official establishment of strategic cooperation between the two sides. Afterwards, the grand Global Fred Award Ceremony kicked off, bringing the conference to its climax. The conference commended and paid tribute to individuals who have made outstanding contributions in international economic and trade cooperation, clean energy, climate initiatives, artificial intelligence, innovative services, cultural communication and other fields, fully demonstrating the sense of responsibility and remarkable achievements of practitioners in the new era.

Following the award presentation, the forum launched in-depth discussions centered on the core theme of "International Economic, Trade and Cultural Cooperation". Guests shared cutting-edge insights and practical experience from their respective sectors, fostering vibrant exchanges. All participants gained fruitful outcomes, and the forum secured multiple preliminary cooperation intentions. Building a cross-border and cross-industry dialogue platform, the forum leverages honors as a bond and economic, trade and cultural exchanges as a starting point to further connect stakeholders at home and abroad and lay a solid foundation for subsequent practical multilateral cooperation.
