/EINPresswire.com/ Four months since the release of his Book "[From Diversity to Unity](#)" [Dr. Thaer Elrefai](#) is having great success and many media requests for interviews. Dr. Elrefai is releasing another book soon: "My name is Refugee."

Dr. Thaer Elrefai Author of "From Diversity to Unity" is still available for interviews and ready for any discussion. Dr. Elrefai is an Ottawa family doctor who has written his story of growing up in a [refugee camp in Lebanon](#), his journey to a humanist vision for world peace and published these stories as a book now available in North America.

"From Diversity to Unity" contains two intertwined stories. First, is the story of how a Palestinian refugee in a camp in Lebanon grew up through many wars, and with hard work, luck and persistence achieved his current position as a family physician in Canada.
