

Online Marketing Specialists Opens New Office Alongside Thailand's Corporate Elite

/EINPresswire.com/ [Online Marketing Consultancy](#) Myk Baxter Marketing is proud to have an address in Bangkok's largest and most exclusive office complex.

Empire Tower, home to [Thailand's](#) corporate elite, is conveniently located in the heart of Bangkok's Central Business District. The 58-storey complex, with its comprehensive facilities and amenities, is a benchmark for office towers in the capital, with its multi-layered towers forming part of the city's skyline.

Having had a successful 2012 winning high profile contracts with hair and beauty industry leader Nicky Clarke and global engineering organisation Haskel Europe, the [Online Marketing Agency](#) looks to continue the rapid growth it has enjoyed in recent years and expand through Asia.

Speaking upon the announcement of their new office address, Myk Baxter Marketing's Managing Director Myk Baxter said, "195 Empire Tower, South Sathorn Road, Sathorn, Bangkok10120. Home to many of Thailand's leading corporations, we are in a very fortunate position that we are going to be surrounded by companies such as AT&T, Dell, Epson, Maersk, Nike, Nikon, Samsung, Starbucks, and many more."

I am hoping that by being alongside these global giants, it signifies our intent to establish Myk Baxter Marketing as the leading Online Marketing Agency.
