TROPHY CLUB, TX, UNITED STATES, September 18, 2026 / EINPresswire.com/ -- David Ryan Salon has received the Best Color Salon designation from the Best of Denton County awards program for the thirteenth consecutive year, extending an unbroken streak that began in 2014 and now spans both its Flower Mound flagship and its Trophy Club location on State Highway 114.

The Best of Denton County program collects nominations and votes from residents across more than 400 categories, with each vote verified by IP address and email to prevent duplicate submissions. For a salon to hold a single category for over a decade, the voting base must expand alongside the business, a pattern that tracks with David Ryan Salon's geographic growth from one Flower Mound location in 2010 to a two-salon operation serving western Denton County and eastern Tarrant County.

The Trophy Club location, which opened in early 2020 at the Trophy Club Town Center, has contributed directly to the salon's sustained recognition. The SH-114 corridor salon serves residents from Hogans Glen, Eagles Ridge, The Knoll, Lake Forest Village, and surrounding neighborhoods, offering the same dimensional balayage, foil highlighting, gloss treatments, and gray blending services that built the brand's color reputation in Flower Mound. Both locations apply the Vish Color Management System to document every gram of color and developer used during each appointment, producing a formulation record that follows the client across visits

and stylists.

"Thirteen years of a community vote tells you something different than a single award," said David Ryan, Owner and Master Stylist at David Ryan Salon in Trophy Club, TX. "It means the clients who sat in our chairs in 2014 are still coming back, and the clients who found us last month are having the same experience. That consistency is harder to maintain than any technique we teach."

David Ryan founded the salon in 2010 after more than a decade behind the chair. His path into the industry began at 17, when a friend's ride to cosmetology school redirected him from a planned military career. That hands-on education philosophy now runs through the salon's structured Level System, where stylists advance through tiers based on demonstrated skill and client demand, and every team member participates in ongoing technical training.

The salon's client base in Trophy Club frequently requests looks that transition between country club events, professional settings, and weekend activities at nearby Westlake and Southlake venues. Color consultations at the Trophy Club location evaluate lifestyle factors, swim frequency, sun exposure, and styling habits before recommending a formulation and maintenance schedule. That approach reflects a broader trend in the professional color segment, with consumer demand shifting toward personalized, high-touch salon experiences over standardized applications.

In 2015, David Ryan also received the Best Hair Stylist designation from Best of Denton County, adding an individual recognition to the salon's category win.

Online booking is available through David Ryan Salon, and the Trophy Club location operates Tuesday through Friday from 9:00 a.m. to 7:00 p.m. and Saturday from 9:00 a.m. to 6:00 p.m. New color clients are encouraged to schedule a consultation before their first service appointment.
