

The Lenovo IdeaPad Yoga 11 - now available from Dabs

/EINPresswire.com/ UK (Submitpressrelease123.com - press release) Lenovo's sought-after IdeaPad Yoga 11 Nvidia Tegra 3 laptop - currently being lavished with praise by reviewers - is now available from leading online electronics retailer Dabs.com.

The Yoga 11 combines the capabilities of a laptop with the accessible, responsive touch experience of a tablet, and its versatility really sets it apart from the pack of [tablet PCs](#). It allows users to choose between four different modes and consume, create and share content with consummate ease. It also boasts a lengthy battery life and standby time, making this laptop ideal if you're looking for something that offers diversity and stamina.

"Initial reviews of the Yoga 11 have been very positive, and it's not hard to see why this laptop is causing such a stir," said Michelle Wood at Dabs.com. "Versatile and practical, the Yoga 11 is a worthy addition to the Lenovo collection. We're very excited to be able to announce that this device is now available from Dabs.com, and we're anticipating very strong demand."

The [Lenovo IdeaPad Yoga 11](#) can be used in four unique ways for maximum adaptability - it has laptop, tablet, stand and tent modes. Its 13-hour battery life makes it incredibly practical, and also boasts a five-point multitouch screen. The IdeaPad Yoga 11's slim and light design also means that it's easily portable - which is ideal if you intend to use it while you're on the move.

In addition, the IdeaPad Yoga 11's multi-touch control makes it easier for users to flip between different tasks, navigating its interface without so much as a hitch. Making the most of its Windows 8 functionality, the Yoga 11 makes it easier to work, play and keep in touch with friends and family. Users can also enhance their Yoga 11 experience by choosing from the full range of apps available from the Windows Store.

The Lenovo IdeaPad Yoga 11 can be ordered on request for £699 via Dabs.com. To find out more about what's on offer and explore the range of [Lenovo laptops from Dabs.com](#), simply visit our website.
