

# IT Governance launches unique two-day ITIL Foundation Training Course

---

/EINPresswire.com/ [IT Governance](#), the single-source provider of ITSM, ITIL and ISO20000 products and services, has today launched the two-day [ITIL Foundation Training Course](#). The first sitting will take place on 18-19 April in London. Bookings can be made online at [www.itgovernance.co.uk/shop/p-820.aspx](http://www.itgovernance.co.uk/shop/p-820.aspx).

With traditional ITIL Foundation courses taking three-to-four days to complete, this two-day course offers a faster learning route, whilst providing essential preparation for the inclusive EXIN exam.

Alan Calder, CEO of IT Governance, says, "This course is truly unique. Our in-house ITIL experts have thoroughly researched existing ITIL courses to design a course which is of outstanding quality, but takes less learning time and is more economic in terms of costs. It prepares delegates to pass their ITIL Foundation exam at the first attempt and receive the industry-recognised EXIN certificate."

The ITIL Foundation Training Course([www.itgovernance.co.uk/shop/p-820.aspx](http://www.itgovernance.co.uk/shop/p-820.aspx)) focuses on delivering the key facts on ITIL 2011 terminology, structure and concepts. It is ideal for ITSM professionals who can't spend too much time away from the office and are looking for cost-effective and time-efficient classroom training.

The ITIL Foundation training course is the newest addition to a growing portfolio of IT Governance service management products which include the [ITIL Foundation Essentials](#) Pocket Guide and the ISO20000 Foundation ([www.itgovernance.co.uk/shop/p-633.aspx](http://www.itgovernance.co.uk/shop/p-633.aspx)), ISO20000 Practitioner ([www.itgovernance.co.uk/shop/p-634.aspx](http://www.itgovernance.co.uk/shop/p-634.aspx)) and ISO20000 Auditor ([www.itgovernance.co.uk/shop/p-631.aspx](http://www.itgovernance.co.uk/shop/p-631.aspx)) training courses.
