

Pringle Homebuilding Group Celebrates 100 Years In Central Florida

/EINPresswire.com/ [Pringle Homebuilding Group](#) Central Florida's Best Builder of REAL Custom Homes is celebrating 100 years of carrying forth the legacy of Frederick Pringle in building the best active-adult retirement communities in Central Florida.

Arriving in Central Florida in 1913, Frederick Pringle was enchanted by the gentle hills, numerous lakes and citrus groves of the region. He envisioned a community that would offer a sunny retreat for his friends and colleagues seeking to escape the long, cold winters of the northeastern states. He purchased a generous tract of fertile lakeside land in the rolling terrain of Lake County, and made his dream a reality...

Frederick Pringle

100 years later, Pringle Homebuilding Group is proud to carry Frederick Pringle's spirit and legacy as Central Florida's premier builder of [fine custom homes](#) for active adults. "Over the decades, the Pringle name has always been at the forefront of land development, philanthropy and homebuilding here in central Florida", says Steve Nordstrom, President of Pringle Homebuilding Group. "As a custom builder involved in several local projects, we're proud to be adding the most recent chapter to the Pringle legacy".

Pringle Homebuilding Group enjoys a reputation as being among the Central Florida's top builders. The company's dedication to "personal service" for each client is often the deciding factor when prospective clients choose Pringle Homebuilding Group. This individual focus is especially evident in the comprehensive custom design process available to each client through the company's Leesburg, Florida Design Studio. Additionally, the employees at PHG pride themselves on their integrity, communication and agility- values they believe set PHG apart from their much larger competitors.

Pringle Homebuilding Group plans to celebrate Frederick Pringle's 100 year legacy in a variety of ways- from an updated company logo to numerous small celebrations and events during the year.
