Greg Keeley, Larrikin Founder & distiller

LAWRENCEBURG, KY, UNITED STATES, September 21, 2026 /EINPresswire.com/ -- Larrikin Bourbon Company and Koala Bare Gin are heading south, announcing a statewide distribution partnership with Green Light Distribution in Florida.

Larrikin Bourbon and Koala Bare spirits are available immediately through independent retailers and ABC Fine Wine & Spirits locations across the state.

The Florida launch marks another major step in Larrikin's national expansion, bringing the proudly Australian-founded, Kentucky-distilled brand to its 15th state.

"Florida is a bloody important market for us," said Greg Keeley, founder and distiller of Larrikin Bourbon Company. "There's a strong appetite for distinctive whiskey, premium spirits and brands with a bit of personality. Green Light understands how to build brands properly, and we're excited to get Larrikin and Koala Bare onto shelves—and into glasses—across the state."

Founded in Lawrenceburg, Kentucky, Larrikin produces award-winning bourbons, rye whiskeys and specialty spirits with an unmistakable Australian streak. Koala Bare Gin brings the same philosophy to modern Australian-inspired gin: distinctive Aussie botanicals, with the juniper dialed way down.

"Larrikin and Koala Bare bring something genuinely different to the Florida market," said Jon Dickson, Senior Vice President of Green Light Distribution. "The quality is exceptional, the brands are memorable, and the team has a compelling story that connects with both retailers and consumers. We're proud to represent them statewide and look forward to building a strong

presence throughout Florida."

With Florida now live, Larrikin is available in 15 states as the company continues expanding its national retail and distribution footprint.
