Firefly Contractors & Design Named People's Choice Award Winner for Roofing & Exterior Remodeling in Spokane Valley

Spokane Valley roofing contractor recognized by the Consumer Ratings Institute for customer satisfaction, craftsmanship, and exterior remodeling.

SPOKANE VALLEY, WA, UNITED STATES, September 21, 2026 /EINPresswire.com/ -- Firefly Contractors & Design, a locally owned roofing and exterior remodeling company serving the greater Spokane area and North Idaho, has been named a People's Choice — Spokane Valley Award winner by the Consumer Ratings Institute.

The recognition highlights Firefly Contractors & Design's commitment to customer service, quality craftsmanship, transparent communication, and professionally managed home improvement projects throughout the Inland Northwest.

Based in Spokane Valley, Firefly Contractors & Design specializes in roofing, siding, window replacement, insulation, and composite decking, serving homeowners in Spokane Valley, Spokane, Liberty Lake, Otis Orchards, Newman Lake, and surrounding communities, as well as Post Falls, Coeur d'Alene, and Kootenai County in North Idaho.

From complete roof replacements and storm damage restoration to siding, energy-efficient windows, insulation upgrades, and custom composite decks, Firefly provides homeowners with a single contractor for major exterior remodeling projects.

A Spokane Valley Roofing & Remodeling Company Focused on the Customer Experience

Firefly Contractors & Design has built its approach around more than simply completing construction work. The company emphasizes personalized design, detailed project planning, consistent homeowner communication, clean job sites, professional installation, and written workmanship warranties.

Homeowners can receive free, no-pressure on-site estimates for roofing and exterior remodeling projects. Firefly also coordinates required permits and inspections, offers financing options, and assists homeowners navigating roofing and exterior insurance claims with major insurance carriers.

Firefly Contractors & Design is fully licensed, bonded, and insured and backs completed projects with written workmanship warranties, including a 10-year workmanship warranty on roof replacements.

The company installs roofing systems from leading manufacturers and provides options ranging from architectural asphalt shingles to premium impact-resistant roofing and metal roofing systems.

Serving Spokane Valley, Spokane and North Idaho

Firefly Contractors & Design provides residential roofing and exterior remodeling services throughout the Spokane and North Idaho region, including:

Spokane Valley, Spokane, Liberty Lake, Otis Orchards, Newman Lake, Post Falls, Coeur d'Alene, Kootenai County and surrounding communities

The company's core services include residential roof replacement, storm damage roofing, siding installation, replacement windows, home insulation, composite decking, exterior remodeling, and insurance restoration work.

The People's Choice recognition reflects the customer feedback Firefly Contractors & Design has received from homeowners throughout the region and the company's continued focus on delivering a high-quality customer experience from the initial estimate through final inspection.

"We want homeowners to feel like they have a contractor they can actually communicate with and trust throughout the entire project," said Adrian Loera of Firefly Contractors & Design. "Our goal is to combine great craftsmanship with a great experience — from the first conversation through the final walkthrough."
