The Melting Pot Named Destin Favorite by Consumer Ratings Institute

Warm cheese fondue, rich chocolate, and an evening made for sharing invite locals and vacationers to discover the Miramar Beach restaurant.

DESTIN, FL, UNITED STATES, September 21, 2026 /EINPresswire.com/ -- The Melting Pot serving the Destin area has received the “Destin Favorite” award from the Consumer Ratings Institute, earning recognition that gives locals and vacationers a new reason to make fondue their next night out.

The Melting Pot experience begins with warm cheese fondue, blended and seasoned tableside, with artisan breads, fresh fruit, and seasonal vegetables ready to dip. After a crisp salad, guests gather around the fondue pot or grill for steak, chicken, or seafood, cooking each bite just the way they like it. The finale is rich, melted chocolate fondue—a dessert made for dipping, sharing, and deciding there’s room for just one more bite.

“A favorite restaurant is one you’re already talking about coming back to before the evening is over,” said Rob Arias, Franchise Owner and Operator. “Whether someone lives around the corner or is here for a week at the beach, we want to give them that feeling. Receiving the Destin Favorite award is something our team can be proud of, and we’re grateful to the guests who share their experiences with others.”

Blending fine casual dining with Southern hospitality, the interactive fondue experience makes dinner part of the night’s entertainment, whether guests are planning a date, celebrating an anniversary, or gathering the family for a vacation night out. Guests can choose a multi-course dinner or explore à la carte options, with cocktails, wine, and beer available to complement the meal.

The restaurant also offers vegan and kids’ menus, gluten-free options, and arrangements for group dining and private events.
The Consumer Ratings Institute presents the Destin Favorite award through its business recognition program, which evaluates businesses using aggregated consumer-review data.
