

# Get ready for spring with stylish bodycon dresses from SheLikes

---

/EINPresswire.com/ UK (Submitpressrelease123.com - press release) Anyone looking to spring clean their wardrobe and get ready for the warmer weather with some new outfits should check out the fantastic bodycon dresses available from SheLikes.

The online clothing retailer has designs to suit all tastes, from smarter belted bodycon dresses that'll look great in the office, to vibrant printed dresses with bright colours and modern, fashion-forward prints that are guaranteed to stand out from the crowd.

For women who want to look smart for work but still show off their figure, the Carlin monochrome belted cap sleeve bodycon dress is the perfect choice, as it is stylish yet sophisticated – and on sale for the bargain price of just £18.

Among the other [bodycon dresses online](#) are the Nadine skull print bodycon dress, which is available in fuchsia, coral and wine, and the Rosy contrast panel bodycon dress, which has a super-slimming graphic print and is perfect for a night out.

And anyone looking to complete their look can do so at SheLikes with one of the brand's [trendy faux leather jackets](#) and some [women's high heels available](#) on the website now.

Nick Puri, Managing Director at SheLikes, said: "After spending winter cuddled up in jeans and cosy coats, it's time for women to have some fun with fashion now that spring is just around the corner. And those who want to update their wardrobe can do so with the wide range of bodycon dresses available at SheLikes.

"Team our Mina zebra print long-sleeve midi dress with the Zoey black PU biker jacket and a pair of Florence black patent high heel platform shoes for a catwalk-worthy look that's perfect for a great night out."

SheLikes is an online fashion retailer that specialises in fashion-forward clothes at purse-friendly prices, meaning even those who are on a budget can treat themselves to something new. Everything can be found at [shelikes.com](#) and a guaranteed next day delivery service is available.
