4RIVRS Selected as Finalist for 2026 NC TECH Awards

Raleigh, NC-based stormwater compliance platform in the running for the Sustainable Tech Innovation Award.

RALEIGH, NC, UNITED STATES, September 22, 2026 / EINPresswire.com/ -- 4RIVRS has been selected as a finalist for the NC TECH Awards 2026 Sustainable Tech Innovation Award. The NC TECH Awards is North Carolina's only statewide technology awards program that recognizes innovation, growth and leadership in the tech sector and is presented by the NC TECH (North Carolina Technology Association).

Built smart so site owners and engineers can bring SWPPPs to life, 4RIVRS transforms static compliance documents into automated, living site plans that eliminate regulatory bottlenecks and protect the bottom line. Founded on the deep expertise of career stormwater professionals, the 4RIVRS platform seamlessly bridges plan creation with field execution to ensure sites stay audit-ready, on schedule, and built smart to last.

> As a finalist this year, 4RIVRS has distinguished itself as one of the state's innovative and emergent leaders"
>
> *Michelle Calton NC TECH's Interim CEO*

"For over 20 years, NC TECH has celebrated companies, organizations and individuals for outstanding achievement at the NC TECH Awards. As a finalist this year, 4RIVRS has distinguished itself as one of the state's innovative and emergent leaders," stated Michelle Calton, NC TECH's Interim CEO.

"Being named a finalist for the 2026 NC Tech Sustainable Tech Innovation Award reinforces our core belief: environmental compliance shouldn't be a static, passive requirement—it should actively protect both the business and the planet," said Dave Paquette, CEO of 4RIVRS. "This

recognition from NC Tech validates our momentum as we set a new standard for sustainable, logic-driven stormwater management."

About NC TECH
NC TECH is a not-for-profit, membership-driven trade association and the primary voice of the technology industry in North Carolina. NC TECH's mission is to foster growth and champion innovation in North Carolina's tech sector, while providing a voice for the tech community. NC TECH's membership includes more than 600 member companies, organizations and institutions employing more than 250,000 workers in North Carolina. For more information, visit nctech.org.

About 4RIVRS
4RIVRS is the pioneer of logic-driven, intelligent stormwater compliance. Built smart so teams can bring SWPPPs to life, 4RIVRS turns complex, evolving regulations into automated, living plans that keep sites with stormwater compliance needs on schedule and audit-ready. Headquartered in Raleigh, North Carolina, 4RIVRS bridges the gap between desktop plan creation and field execution—eliminating administrative bottlenecks and manual template updates while maintaining complete compliance visibility. For more information, visit www.4rivrs.com.
