

# Pick Your Bonus With Royal Vegas New Bonus Offer on The Cards for New Players.

/EINPresswire.com/ Nothing quite beats signing up at a new online casino and claiming that hefty Welcome Bonus. [Royal Vegas](#) has gone out of their way this March and are now offering players a '[Pick Your Bonus](#)' where players can choose exactly what they want.

Pick your Bonus

As the online casino world drifts into March Madness Royal Vegas Casino seems to have gone absolutely crazy with their brand new New Player Welcome Bonus. For the entire month of March new players will be given the chance to pick their bonus from a choice of two enticing offers. The first offer is the original \$1200 free welcome bonus and the other offer is a \$1000 free (Free play for a day) offer.

The two may not sound that different but the behind the scenes details are what count. The \$1200 free offer will be paid out as part of a deposit match bonus and players will need to make a minimum of three deposits in order to claim the full \$1200 bonus. This is the standard offer and new players are able to claim this throughout the year. The new offer is the \$1000 Free or Free Play for a day this is essentially a no deposit needed bonus, players will register an account and will immediately get \$1000 free to play with. These credits are only available for one full day so it is essentially free play for a day.

Each welcome bonus has their own advantages the \$1200 is there for players to use whenever but the \$1000 free expires after a day. However new players to the online casino world will be drawn to a bonus where no deposit is needed as they will not have to spend their cash in order to claim the benefits on offer, this is a great way to build up trust with a new online casino brand.

Players eager to take advantage of the pick your bonus promotion have until March 31 2013 to register and decide between a free \$1200 or Free Play for a day. This welcome bonus is only available through [www.royal-vegas.com](http://www.royal-vegas.com).
