

Interface Incorporated To Exhibit at NFMT 2013

/EINPresswire.com/ Government Marketing Company will showcase its full services at this year's Building Operating Management's Conference.

FAIRFAX, Virginia – March 12-14, 2013 marks the date Interface Incorporated will display at the National Facilities Management and Technology Show (NFMT) in Maryland at the Baltimore Convention Center on 1 W. Pratt Street. The conference will consist of more than 5,000 facility professionals, hundreds of leading suppliers, and numerous industry experts. Attendees will have immediate access to Interface, and the registration is free.

Headquartered in Fairfax VA, Interface Incorporated helps businesses build [government sales](#) channels and obtain and manage [GSA contracts](#). NFMT is the largest gathering of facility managers, building owners, maintenance managers, property managers, engineering managers, energy managers and other facilities management professionals in the United States.

Mark Downs, of Interface Incorporated comments, "We look forward to discussing government business opportunities and the state of the federal government market with attendees at this year's show. NFMT has always featured a strong turnout of the top people and companies within the facilities management industry, including some of our existing clients."

NFMT's interactive facilities conference and product expo is not only the perfect way for industry managers to deliver new ideas, best practices, and career-boosting inspiration, but it also includes a free educational program to help jumpstart beginning facility managers and refresh veterans. In fact, the attendees will have their choice of 120 free educational sessions.

About Interface Incorporated

Originally founded in 1967, Interface is a Washington DC based representative for companies, ranging from small businesses to Fortune 500 subsidiaries, seeking to do business with the federal government. Since that time, Interface has assisted clients in securing billions worth of [US government contracts](#) for their products and services.
