The appointment allows Prime Insurance to quote and place GEICO coverage for individual drivers as well as businesses of every size, from a single work truck to a full commercial fleet. The addition strengthens Prime's already broad lineup of carriers and gives Florida customers one more way to compare options and find the right fit.

"Florida drivers have been asking for more choice, and GEICO is a name they know and trust," said Shaya Ilowitz, VP, Prime Insurance Agency. "Being able to offer GEICO alongside our other carriers means we can shop the market more thoroughly for every client who walks through our door or calls us.

Prime Insurance works with multiple insurance carriers, which allows its agents to compare coverage and pricing rather than sell a single company's product. Florida residents and business owners interested in a GEICO auto quote can contact Prime Insurance directly.
