

Flippers Pizzeria Prepares for Spring Visitors this March

/EINPresswire.com/ [Florida pizza franchise](#) anticipates Central Florida tourist season.

While other areas of the country continue to endure winter's cold, Central Florida residents and its visitors are already enjoying comfortable springtime temperatures—and Flippers Pizzeria is serving these hungry visitors the freshest pizza in town.

With 13 locations throughout Florida, from the theme parks and convention centers of Orlando, to the beaches of St. Petersburg and the Villages, Flippers Pizzeria makes ordering fresh, delicious brick-oven pizza easy as pie—pizza pie that is.

There are numerous ways that spring visitors can enjoy the many pizzas, flatbreads, pastas, Pizza Flippis (Flippers' rendition of a calzone), and salads from Flippers Pizzeria's delicious menu. One of the most convenient ways is getting it delivered straight to their hotel or resort. "All a guest has to do is call their closest location, let us know the hotel or resort they're staying in, and if it's in our delivery radius, our friendly [pizza delivery](#) team will get it to them," said Kelly Pfister, Marketing Director at Flippers Pizzeria. "The guest can also use our convenient online ordering system or even our new free ordering application available on iTunes."

For groups, Flippers Pizzeria offers a simple and convenient group menu with per-person pricing, as well as catering options. From school groups, to sporting events, and corporate meetings or retreats, Flippers Pizzeria makes feeding a large group easy and stress-free.

According to Ben Richardson, VP of Operations at Flippers Pizzeria, the [Orlando pizza](#) and St. Petersburg pizza teams are both preparing for an increase in orders this month. "With so many visitors escaping the cold weather up north, the spring months, particularly March and April, are some of our busiest," said Richardson. "We've carefully assembled a variety of group menus and catering menus to fit the needs and tastes of just about any kind of group."

conveniences like free wireless Internet, flat-screen TVs, large community tables, and of course, the prime customer service that Flippers is famous for.

Whether for Spring Break, family vacations, or to enjoy some of many art festivals or outdoor sports events in the area, Central Florida is definitely the place to be throughout March, especially for lovers of golf.

The highly anticipated Arnold Palmer Invitational golf tournament, presented by MasterCard, begins March 18th and lasts until March 24th. In what's becoming an annual tradition, Flippers Pizzeria will once again be donating pizzas to this year's event on both Monday, March 18th and Tuesday, March 19th. This year, the pizzeria will be feeding more than 300 kids for the Kid's Clinic, and more than 400 volunteers will enjoy Flippers MyPie pizzas on Tuesday.

"We always enjoy supporting the Arnold Palmer Invitational and the great work they do in our community," said Pfister. "The tournament raises money for some great local charities, including Arnold Palmer Hospital for Children and Winnie Palmer Hospital for Women & Babies." The annual PGA Tour golf event takes place at Bay Hill Club and Lodge, a private golf resort owned by Arnold Palmer since 1974.

Flippers Pizzeria is committed to "fresh honest ingredients" hand-selected by founders, including high-quality meats, cheeses, and tomatoes imported from both California and even Italy. All pizzas are prepared with passion—hand tossed, then baked in the company's signature brick ovens. The same high level of commitment is held to its catering services. If the Flippers Pizzeria name is on it, it's going to be of the highest quality, said Richardson.

The Orlando pizza restaurant is beginning its 26th year in Central Florida and offers Florida pizza franchise opportunities to qualified investors. More than ten new menu items, like the new Arugula & Prosciutto Pizza, were just released this year, as well as a brand new mobile application, now available for free in the Apple iTunes Store.
