Little Rooster, the alarm clock panty vibrator that wakes women with pleasure, launches its iconic pleasure toy in Papal Purple today in honor of the elevation of Cardinal Jorge Bergoglio to Pope.

"Purple is traditionally a Papal color, and we hope that this Little Rooster will be the favorite wake-up call for [Catholic women](#) everywhere. Francis I may be against contraception and women's equality, but so far he has said nothing about alarm clock vibrators worn in the panties. And because Little Rooster is rechargeable and so uses no disposable batteries, Little Rooster Papal Purple is completely guilt-free!" says Little Rooster inventor Tony Maggs.

Little Rooster wakes women with gently increasing pleasure. It is rechargeable; features a snooze function, a "snorgasm" pleasure-snooze function, a travel lock, and is silent for 27 settings.

Little Rooster is available for \$69 USD including global shipping from www.littleroosterstore.com in Original White, Pink Champagne, and new Papal Purple. Nuns emailing customercare@littleroosterstore.com with a headed letter from their Mother Superior are eligible for a \$5 discount through end March.

Little Rooster version one is available as a six pack hen or [bachelorette party gift](#) for just \$269.00 USD
