

United Business Technologies Announces \$150,000 Sponsorship Commitment

/EINPresswire.com/ Company donated \$61,000 to Children's National Medical Center in 2012

MCLEAN, VA - United Business Technologies is proud to announce it is making a \$61,000 contribution to Children's National Medical Center. UBT has also pledged to contribute \$150,000 to the facility over the next two years.

In 2012, UBT partnered with Children's National to contribute \$50 for each Canon office product sold between April and December. All funds raised support advancements in medical technology, including the Mind Brain Institute, Anticipatory Medicine, Mobile Units, and Emergency Preparedness programs. Children's National is among the top pediatric hospitals in America and the leader in development of innovative treatments for childhood illness and injury. The hospital has served the nation's children since 1870 and UBT is dedicated to helping them and the community.

Over the next two years, UBT plans to contribute \$150,000 to Children's National Medical Center, by continuing its current program of \$50 for each Canon product sold. United Business Technologies also sponsors the annual Children's Ball and signature 5K Run/Walk Race for Every Child.

"We are very proud to continue helping Children's National Medical Center," said Scott Manoogian, President of UBT. "Through philanthropy, Children's National provides innovative, world-class care to all families in our community, including those who cannot afford to pay for treatment. We're honored to help them provide that service."

United Business Technologies is dedicated to supporting organizations that educate, inform, and improve the overall health of individuals within our community and society as a whole. In 2012, UBT also contributed more than \$5,500 to other inspirational organizations such as the American Diabetes Association, Operation Homefront, Unity Healthcare and the YMCA.
