DailyFunder.com (DF) is proud to announce that Stephen Sheinbaum, the CEO of Merchant Cash and Capital, will be joining the CEO Corner. Sheinbaum is the second industry captain to sign on with the DF community.

[Sean Murray](#), a co-founder of DF welcomed Mr. Sheinbaum. "Believe it or not, Steve introduced me to this industry back in 2006," said Murray. "Having seen him grow the company firsthand from its humble roots to the powerhouse that it is today, I can say with certainty that the community will benefit from his knowledge," he added.

Sheinbaum stated, "It is great to have a forum where those involved in the business can have an open discussion about the direction of the industry and ways to improve it. The efforts of Sean, via Dailyfunder.com, are going to benefit all that participate in our growing industry and should hopefully cultivate additional interaction between all. I am looking forward to being an integral part of this forum for a long time to come!"
