

1-800 NY BULBS, Ltd. Establishes Partnership with GE Lighting

/EINPresswire.com/ The Westchester-based company [1-800 NY BULBS, Ltd.](#) has received the distinction of Authorized Dealer and Distributor of [GE Lighting](#) Products, placing them at the forefront of the lighting industry.

After 25 years of providing [lighting design](#), supply and maintenance services, 1-800 NY BULBS, Ltd. is proud to announce its partnership with General Electric Lighting.

The Westchester-based company has received the distinction of becoming an Authorized Dealer and

Distributor of GE Lighting Products, placing them at the forefront of the lighting industry.

GE is the industry leader in lighting innovation and technology. This partnership falls directly in line with the immediate and future goals of 1-800 NY BULBS, Ltd. GE is the brand that stands a class above its competitors, offering cutting-edge lighting solutions with superior product quality.

"Being a partner of GE is a true honor," says Randall Satin, CEO of 1-800 NY BULBS, Ltd. "Their product quality and knowledge allows us to better serve our valued clientele. We look forward to a long and prosperous relationship between 1-800 NY BULBS, Ltd. and General Electric. GE has a long, rich history in shaping the visual landscape of New York, and 1-800 NY BULBS, Ltd. is proud to be their partner. Illuminating space is our passion, and there is no one better to work with than GE."

GE's rich history began in New York on April 24, 1889 when Drexel, Morgan & Co. financed research performed by Thomas Edison to form a company under the name "Edison General Electric Company." Over a century later, General Electric is listed by Fortune and Bloomberg Businessweek as one of the world's most innovative, admired and influential companies.

About 1-800 NY BULBS: 1-800 NY BULBS, Ltd. is a GE Lighting Authorized Dealer and Distributor, offering cutting-edge lighting design, supply and maintenance services backed by exceptional customer service.

1-800 NY BULBS makes value a top priority when helping a clients choose the best products for their specific purpose. Energy-efficient lighting products are guaranteed to illuminate any professional space beautifully, all while saving businesses valuable time and money. 1-800 NY BULBS' complete line of LED bulbs illuminate the most upscale professional spaces, including boutiques, restaurants, churches, nightclubs and more.
