

ITIL® All Access Online Training package – a ‘bargain’ for studying professionals

/EINPresswire.com/ [IT Governance](#), the single-source provider of ITSM, ITIL® and ISO20000 products and services, has released for sale through its website the [ITIL All Access Online Training](#) package (www.itgovernance.co.uk/shop/p-1308.aspx).

The ITIL All Access Online Training package contains an entire suite of e-learning ITIL courses that will enable studying professionals to proceed through the ITIL Foundation and Intermediate exams.

Using online video lectures, printable courseware and online mentoring, these courses cover all the critical information professionals need to achieve certification and to become ITIL experts.

Alan Calder, CEO of IT Governance, says: “The ITIL Foundation and Intermediate certifications are the most popular certifications in IT service management. Studying professionals are looking for the most effective and convenient methods to prepare for the relevant exams. The ITIL All Access Online Training package is their ideal studying companion as it provides 360-days online access to the ITIL courses as well as online mentoring.”

“The package is a real bargain for what it offers and anyone studying for their ITIL certification will benefit from it.”

ITIL All Access Online Training package can be immediately ordered online from www.itgovernance.co.uk/shop/p-1308.aspx.

NOTES TO EDITORS

IT Governance Ltd is the single-source provider of books, tools, training and consultancy for IT governance, risk management and compliance. It is a leading authority on data security and IT governance for business and the public sector. IT Governance is 'non-geek', approaching IT issues from a non-technology background and talking to management in its own language. Its customer base spans Europe, the Americas, the Middle East and Asia. More information is available at www.itgovernance.co.uk.
