WeDriveU Announces Hernán Quiroz as Vice President of Fleet Maintenance

Driving Quality Assurance and Innovation for WeDriveU's Transit Fleet Serving Millions of Annual Passengers

SAN FRANCISCO, CA, UNITED STATES, September 28, 2026 /EINPresswire.com/ -- WeDriveU today announced the appointment of Hernán Quiroz as Vice President of Fleet Maintenance. Quiroz joins WeDriveU with more than 13 years of global fleet maintenance and asset management experience, most recently with Halliburton.

> "Hernán joins at an exciting time as we structure WeDriveU for our next stage of growth by adding global expertise to enhance operating efficiency and customer value..."
>
> *Erick Van Wagenen, President and CEO, WeDriveU*

Quiroz will lead fleet strategy, safety and compliance, innovation and workforce development, overseeing the fleet WeDriveU operates for public- and private-sector customers. His team will enhance fleet safety and reliability for WeDriveU's fixed route bus, paratransit, microtransit and on-demand services across roughly 40 U.S. locations.

"Hernán joins at an exciting time as we structure WeDriveU for our next stage of growth by adding global expertise to enhance operating efficiency and customer value," said Erick Van Wagenen, President and CEO of WeDriveU. "His extensive experience in asset management for distributed 24/7 fleet operations is well-suited for optimizing vehicle availability and lifespans, exploring new propulsion systems, and serving customers with a maintenance organization designed for the future."

Most recently, Quiroz served as director, global maintenance and reliability for Halliburton's energy services practice, where he managed more than 10,000 heavy-duty mobile diesel and electric assets across six global regions. He previously ran the company's Latin America fleet maintenance across 12 countries.
Earlier in his career, he led maintenance operations for steel manufacturer Ternium Americas.

Quiroz is based at WeDriveU's Austin, Texas regional office.

Meet Hernán in WeDriveU's booth #3020 at APTA TRANSform & Expo. Details:
