

Moose Exhibits Celebrates Ten Years

/EINPresswire.com/ ATLANTA, GA – March 22, 2013 – Moose Exhibits, a [full service exhibit house](#) providing the entire range of trade show marketing products and services, today announced that it is celebrating its tenth birthday this month.

Starting out in 2003 as a logistics provider, founders Marc and Lydia Mousseau have carefully grown and expanded their operations, enabling Moose Exhibits to offer award-winning design, brand strategy and fabrication know-how to a list of clients that reaches around the globe.

“Watching the Moose Exhibits vision come to life over the past ten years while influencing our clients’ face-to-face marketing strategies has been incredibly gratifying,” commented Marc Mousseau, co-founder, Moose Exhibits. “Yet the real key to our success has been the hard work, dedication, and open collaboration our employees bring every day to Moose Exhibits and to our clients.”

“It has been such a pleasure to work with Moose Exhibits over the last six years I have been at Chicco,” stated Christina L. Burggraff, Chicco USA. “We all work hard, but when we enjoy the people we work with, somehow, it makes it so much more tolerable. We can’t wait to see where we will go in the future!”
