

HP Desktop Cash Back Offer From BT Business Direct

/EINPresswire.com/ UK (Submitpressrelease123.com - press release) Computing, networking and ICT support specialist BT Business Direct provides individuals and businesses with the chance to claim up to £100 cash back upon purchase of a qualifying HP desktop and HP carepack.

Customers buying any of the qualifying [HP Business Desktops](#) From BT Business Direct alongside a HP carepack can claim their cash back online, after providing proof of purchase via the promotional link on the BT Business Direct website. HP will then send people the cash back amount via bank transfer.

This fantastic promotion is only applicable to qualifying products purchased between 1st February and 31st March 2013 so customers will have to act fast to take full advantage of the cash back offer. The promotion applies to HP 4300 series desktops purchased either directly from HP or an authorised reseller such as BT Business Direct.

In order to qualify for the cash back offer, customers must purchase both HP carepack and HP desktop at the same time, in one transaction and ensure that both products are shown on the same invoice. Proof of purchase is required in order to claim the cash back offer and customers will be asked to provide an invoice number and serial number of the qualifying product to submit a valid claim.

It's worth bearing in mind that claims cannot be submitted until 30 days after purchase and people will receive £100 / 110 euro respectively by bank transfer upon submitting a valid claim. This amazing offer is open to residents of the UK and Republic of Ireland, including Northern Ireland, Channel Islands and Isle of Man.

Clare Leetham, Software Category Manager, said: "Here at BT Business Direct, we pride ourselves on being able to help our valued customers with all of their computing and networking needs. Businesses and individuals can really benefit from our HP desktop cash back offer and if you're in need of a reliable desktop for your firm, there's really no reason why you shouldn't choose a HP desktop. Thanks to this fantastic promotion, you're effectively saving £100 on a high quality desktop PC so hurry and buy both qualifying desktop and carepack before the end of March."

People can choose from a range of qualifying [Business Desktop PCs](#) from BT Business Direct,

including the [HP 4300P SFF](#).
