

Christening Gowns.com Welcomes Bunnies For Easter Season

/EINPresswire.com/ Fluffy and cuddly bunnies join designer collections for christenings and Easter outfits.

GIG HARBOR, Washington – [Christening Gowns.com](http://www.christeninggowns.com) has announced that the bunnies have arrived and can still be ordered to arrive in time for Easter. This cuddly warren of toy rabbits has hopped into the fold as a part of the boys and girls christening outfit Easter Collections.

From the Bunny Crochet Sets of hats and booties in pink or blue and white to the two-inch fluffy white Bunny Wrist Rattle, there are nearly a dozen soft and snugly rabbits making a special appearance in the Christening Gowns.com inventory.

"There's a little something for everybunny," quipped Russ Salton of Christening Gowns.com. "These seasonal rattles, stuffed animals and hats will be here today and gone tomorrow."

One of the featured Easter rabbits is the extra-huggable Sleepy Bunny. Available in pink and blue, this furry friend has satin lining in its long floppy ears and long, soft polyester fur along its 10-inch cuddly body.

Popular as [christening presents](#), Easter gifts and as accompaniments to the Easter outfit collections, they coordinate well with three-piece suit sets, jumpsuits, dresses, hats and baby booties. For those looking for something as practical as it is cute, there is the Buddy Rabbit Blanket. This white bunny has a plush head with floppy ears and a soft blanket for a body. The blanket is embroidered with tiny playful carrots with lettering on the bottom front corner that reads, "Best Friends Indeed."

The bunnies can be ordered through Christening Gowns.com and, when shipped within the Continental U.S., should arrive in time for Easter.
