

Tea Partiers Boycott Fox News for Being Too 'Left'

/EINPresswire.com/ March 25, 2013 /EIN News/--Apparently Fox News, which most Americans consider the unofficial channel of U.S. right wing politics, is not far right enough for many in the tea party. For the second time in a month, many tea party groups joined a boycott of Fox News to show their displeasure with the channel's news coverage. They demand much tougher coverage than they've seen over stories such as the Benghazi embassy deaths. See the news article about the boycott here:
