Senior Care Authority Expands with New Franchise Location Serving Kentuckiana

Patrick Lynch Opens Senior Care Authority Location Serving Southern Indiana and Greater Louisville Area

Patrick Lynch, CSA, CDP, owner of Senior Care Authority - Kentuckiana

LOUISVILLE, KY, UNITED STATES, September 29, 2026 / EINPresswire.com/ -- Senior Care Authority, a nationally recognized leader in eldercare consulting and senior placement services, is proud to announce the opening of its newest franchise location, serving Kentuckiana, including Southern Indiana and the Greater Louisville Area.

The new location is led by Patrick Lynch, CSA, a certified senior advisor with more than 15 years of experience working with seniors and their families. Lynch will provide local families with personalized guidance as they navigate senior living, care, healthcare and aging-related decisions.

After years of working with older adults and their loved ones, Lynch has seen firsthand how overwhelming it can be to navigate care decisions. That mission became even more personal when his own family faced the challenge of determining what came next when his mother-in-law could no longer safely live on her own.

“I was drawn to Senior Care Authority because it gives me the opportunity to combine my professional experience with my passion for helping families,” Lynch said. “So many often find themselves making important decisions during a stressful and emotional time. I want to provide them with trusted guidance, resources and support so they can better understand their options and determine the right next steps for their loved one.”

Senior Care Authority offers a comprehensive suite of services to support seniors and their families, including:

• Assisted Living and Memory Care Placement Services: Guidance in evaluating senior living and care options to help families find solutions that meet their loved one's individual needs.

• Eldercare Consulting: Personalized support to help families understand care choices and determine appropriate next steps.

• Healthcare Navigation and Advocacy: Helping patients and families communicate with healthcare providers, understand care recommendations, and advocate for their loved one.

• Discharge Planning Support: Assistance understanding discharge instructions, coordinating care, and navigating what comes next after a hospital stay.

• Beyond Driving with Dignity®: A Senior Care Authority exclusive program designed to help seniors and families address driving-related decisions while emphasizing safety and dignity.

Lynch's goal is to serve as a trusted local resource during what can often be a complex and emotional time. Whether families are exploring assisted living or memory care, looking for resources to help a loved one remain safely at home, or simply trying to understand the options available, Lynch provides personalized guidance and support.

"I am honored to come alongside families when they may feel overwhelmed or unsure of what to do next," Lynch said. "My goal is to take some of the stress and uncertainty out of the process, help families understand their options and give them the information and support they need to make informed decisions for their loved one. I want families throughout Kentuckiana to know they don't have to navigate this journey alone."

Lynch and his wife, Cheryl, are proud to bring Senior Care Authority to the Kentuckiana region and look forward to building strong relationships with local families, senior living communities, healthcare providers and other professionals and organizations serving older adults.

Senior Care Authority's placement services are provided at no cost to families, as fees are covered by partner communities, allowing families to receive objective guidance and expert support without out-of-pocket expense.

About Senior Care Authority
Senior Care Authority® was founded in 2009, began franchising in 2014, and currently serves over 100 locations in 34 states. The network consists of professionally trained and experienced local advisors who assist families with the overwhelming challenges associated with selecting the best options in assisted living, memory care, skilled nursing care, and navigating through a

complex healthcare system. Senior Care Authority offers Eldercare Consulting services to families and is the exclusive provider of the Beyond Driving with Dignity program. Learn more at www.seniorcareauthority.com.
