/EINPresswire.com/ IT Governance, the single-source provider of ITSM, ITIL® and ISO20000 products and services, has announced that it will exhibit at the Service Desk and IT Support Show taking place on 23 and 24 April in London. The IT Governance team will officially launch a number of new books and the EXIN-accredited ITIL Foundation 2-Day training course.

Alan Calder, CEO of IT Governance, says, "We are delighted to exhibit at the Service Desk and IT Support Show again this year.
