'hololive Dreams' (holodori) Adds New Area 'Soda Pop Lagoon' Today, September 29, in Its First Major Update

SHIBUYA-KU, TOKYO, JAPAN, September 29, 2026 / EINPresswire.com/ -- QualiArts, Inc. (Head office: Shibuya-ku, Tokyo; Representative Director & President: Yoshitatsu Tsujioka) announced that Ver. 1.2.0 has been released today, Tuesday, September 29, 2026 (JST), for “hololive Dreams” (abbreviated as “holodori”), the first official game for hololive, currently available and jointly developed and operated with COVER Corporation (Head office: Minato-ku, Tokyo; Representative Director & President: Motoaki Tanigo), adding the game’s third area, “Soda Pop Lagoon.”

New Area Update

“Soda Pop Lagoon”

This update adds fishing and boat exploration in the new area, the new Minigame “Splash Ball” for up to nine players, and the area theme song “PARADISE” performed by seven talents featured in the area.

The in-game event “Sea Splash Hype!” and the “Dreamy Deep Blue Gacha” also begin today. Enjoy the newly expanded world of holodori in-game.

New Area “Soda Pop Lagoon” Is Here!

The third area, the ocean-themed “Soda Pop Lagoon,” has been added today, Tuesday,

September 29.

In this area, players can progress through the story while enjoying fishing and exploring the ocean by boat. Upgrading your boat expands the waters you can travel through, allowing you to visit new locations.

At fishing spots throughout the area, players can catch a variety of fish depending on the location. Fill out your collection with the fish you catch and exchange items at the Exchange to enjoy all that Soda Pop Lagoon has to offer.
