COLUMBIA, TN, UNITED STATES,
September 29, 2026 /EINPresswire.com/ -- 3PDelivery615, the Franklin-based moving and furniture delivery company, is expanding its premium moving services to Columbia, TN and the surrounding Maury County area. The expansion brings the company's residential, commercial, and specialty options to a growing community south of Nashville, giving residents and business owners another dependable choice when they need help relocating.

Founded in 2021, 3PDelivery615 built its reputation on doing the basics well. Crews arrive on time, treat every item with care, and finish each job to the customer's satisfaction. Customer reviews regularly point to professional teams, efficient work, and a willingness to accommodate short-notice requests. That same approach now extends to Columbia.

For anyone searching for local movers in Columbia, the company offers a full range of services built around each household's needs. Residents can book apartment moving, residential moving, packing, loading and unloading, labor-only help, and furniture moving. Families planning a long-distance relocation can also arrange transportation to destinations across the United States.

Columbia is a city with deep roots. It is known as Mule Town and has long been associated with President James K. Polk. As the region grows, more households are moving in and out of Maury County, and demand for a reliable moving company in Columbia continues to rise. That is especially true for families settling into new homes, seniors downsizing, and small businesses relocating. 3PDelivery615 built its Columbia offering to serve all three.

Premium care is the centerpiece of the expansion. The company's white glove delivery in Columbia gives homeowners, interior designers, and retailers expert handling, setup, and placement for high-value furniture, antiques, and delicate pieces. For design professionals, the Designer Receiving Service adds receiving and warehousing with secure storage, detailed inventory tracking, and scheduled deliveries.

Specialty needs are covered as well. Crews move pianos and oversized items such as gym equipment and heavy appliances, using the right tools and techniques to prevent damage. Senior movers assist with downsizing, packing, and transitions into retirement communities, and they approach each move with patience and respect. Businesses can schedule office and commercial moves planned to keep downtime low. TV mounting, home staging support, and junk removal help customers finish the job in one visit.

Every move begins with a free estimate. The process follows four clear steps: consultation, preparation, moving day, and final setup. The team packs, wraps, and labels belongings, loads and transports them, and then places furniture where the customer wants it. The company states that estimates come with no surprises and no hidden fees.

Planning ahead helps, and customers are encouraged to request an estimate as early as possible. Weekends, month-end dates, and summer months tend to fill quickly. Sharing details such as stairs, tight access, long carries, or specialty items in the request lets the crew arrive prepared with the right equipment.

The Columbia expansion builds on the company's growth across Middle Tennessee. 3PDelivery615 already serves Franklin, Nashville, Brentwood, Spring Hill, Murfreesboro, Nolensville, Smyrna, La Vergne, and Dickson. Columbia customers benefit from an operation with established crews, proven processes, and local knowledge of the routes and traffic patterns that shape a move. The company operates under USDOT number 2038052 and MC number 715198.

"Moving is one of life's most significant transitions, and having the right team on your side makes all the difference," the company says on its website. That principle guides the work in every community it serves, and it now applies to Columbia residents and businesses.

Columbia residents can request a free quote online, call (615) 270-2695, or text (615) 830-6882. Additional details on services and service areas are available at 3pdelivery615.com.
