

Angel Aqua Chic now available at The Fragrance Shop

/EINPresswire.com/ UK (Submitpressrelease123.com - press release) This Spring, [Thierry Mugler](#) invites you to experience his classic fragrances as they sparkle and uplift with a limited edition, chic twist.

The goal for these two iconic fragrances (Angel Aqua & [Alien Aqua](#)) was to develop added distinction to their original formulations with invigorating, fruity accords and a touch of aromatic water which bring lightness and elegance to the heart of their aromas.

When Angel's oriental notes meet the lightness of the sparkling aqua accord a blushing, crisp scent is created echoing pure radiance and delight.

To refresh the most seductive of Mugler's creations, juicy raspberry blossom and green apple granite have been fused with the gourmand scent. They unravel at the heart of the fragrance and blends effortlessly with added rose water, creating an innovative combination for the voluptuous patchouli-vanilla base and transforming Angel into a delicate, floral fragrance.

The bottle is adorned by a delicate blue graduation with an intense silver hue around the base to evoke the freshness of [Angel Aqua Chic](#).

Originating from a tranquil, lunar atmosphere, Alien resonates ethereal beauty. Illuminated by the light kick of orange blossom water, Alien Aqua Chic offers an even more majestic and serene feel with its perfect blend of mellow and pulsating notes.

To give the original fragrance a vibrant, zesty tang, lemon tree blossom and pink grapefruit unfolds at the heart, syncing with the amber, jasmine florals to elegantly refresh Alien's rich and woody base.

A translucent amethyst bottle with an intense silver hue around the base to emphasise Alien's solar heritage.

Available nationwide on 20 February 2013 at The Fragrance Shop
