

# Official CISA and CISM Review Manuals now available to EU studying professionals

/EINPresswire.com/ [IT Governance](#), Europe's leading information security, risk management and compliance experts, have added the 2013 CISM and CISA Review Manuals to their website, [www.itgovernance.eu](http://www.itgovernance.eu).

The Certified Information Security Manager (CISM) and Certified Information Systems Auditor (CISA) qualifications, are awarded by ISACA® and are the globally accepted standard of achievement among information security, IS audit and IT governance professionals.

These review manuals, formerly only available direct from the ISACA® bookstore in the USA, are now also available through the IT Governance website on mainland Europe, [www.itgovernance.eu](http://www.itgovernance.eu), an official ISACA distributor. They are priced in euros and orders are shipped immediately from IT Governance's European warehouse. This means that students taking the ISACA exams in June can rely on quick delivery and start their preparation on time.

Alan Calder, CEO and founder of IT Governance Ltd, commented: "The new 2013 manuals from ISACA are an essential purchase for anyone preparing to take their CISM or CISA certification exams in 2013."

The 2013 ISACA CISM and CISA Review Manuals have evolved through their previous editions and now represent one of the most up to date, comprehensive, internationally peer-reviewed information security management resources available.

Anyone preparing for the career-critical CISM and CISA exams should order the 2013 Review Manuals right away to maximise their chances of passing their exams.
