

Kim Garst Joins Fellow Social Media Experts On Networking Panel At 2013 NAPW Conference

/EINPresswire.com/ Kim Garst, internationally renowned social media and online marketing pioneer and [Linkedin consultant](#), will take part in this year's NAPW National Networking Conference to be held on April 26th in New York City, featuring female business leaders and [social media experts](#).

Clermont, FL – Pioneering social media expert, LinkedIn consultant and Boom! Social co-founder Kim Garst, has been named one of the featured panelists at the 2013 National Association of Professional Women National Networking Conference, offering guests the opportunity to learn from, and interact with, fellow business women from across the country.

The event will take place April 26th from 8am to 6pm in New York City at the Sheraton New York Times Square Hotel and will be hosted by NAPW National Spokeswoman Star Jones. Along with panelists and presenters, the event will feature keynote addresses by renowned entrepreneur Martha Stewart as well as Editor-in-Chief of the Huffington Post Arianna Huffington.

"I'm so thrilled, and frankly honored, to take part in this amazing event that features some of the brightest minds and most influential female business leaders in the nation. I'm looking forward to sharing some of the networking social media tips and lessons I've developed over the years, but I'm also excited to hear from fellow attendees about what's working best for them," said Kim Garst, of Boom! Social (<http://kimgarst.com>).

Garst will take part in the "Power of Networking Panel" from 11:15am – 12:00pm where she and her fellow advertising, marketing and social media experts will field questions from attendees about modern networking techniques, social media trends and online marketing tools.

“There are so many great opportunities for business women to connect with, and help each other through social media, and this NAPW panel is a wonderful chance for me to offer some insight into the plethora of tools at their disposal. Whether it’s using [Twitter for business marketing](#) or getting started on Pinterest, there are so many avenues to explore and I can’t wait to hear what kind of questions come up,” Garst said.
