[Magnum Opus Vacations](#) will be awarding the top vacation ownership resorts with the prestigious 2014 Opus Choice Award this August. The Opus Choice Award is an internationally recognized accolade with nominees from more than 50 countries spanning 6 continents. Winners of the award will be presented with a certificate to showcase their achievement, along with being featured in the latest edition of the Opus Choice Award publication. Only the top 1% of vacation ownership resorts have been nominated, and less than a quarter of those resorts will meet the judges' criteria to become an Opus Choice Award winner. One of the Opus Choice Award winners will also be awarded Magnum Opus Vacations highest recognition, the [Opus Platinum Award](#). This award is given to only one resort that shows superiority above all others.

The Opus Choice Award was created to satisfy the demand for an award that caters exclusively to the vacation ownership industry. "The Opus Choice Award is a way for vacation ownership resorts to distinguish themselves as being the very best. Never before has there been such an exclusive honor in the vacation ownership industry," said Patrick Burns, President of Magnum Opus Vacations.

Magnum Opus Vacations is dedicated to bring the best vacation ownership resorts into the spotlight, on an international stage. It's goal is to give the public a resource to identify true excellence in vacation ownership.
