

DynaCom Management Announces New Leasing Options In 2014; iMed Campus Set To Open in Naperville

/EINPresswire.com/ [DynaCom Management](#) is now accepting early lease applications for their new iMed Campus, which offers office spaces in Naperville. The [Naperville office space](#) boasts convenient access and 72,000 square feet of prime commercial real estate in Naperville.

NAPERVILLE, IL -- DynaCom Management, Inc. is accepting early lease applications for its brand new iMed Campus in Naperville. Occupancy is expected for Fall 2014 but the Naperville office space provider is offering special incentives for leases signed by August 31, 2013. This premium medical campus is located at 1249 W. 75th Street in Naperville.

"The iMed Campus has been a very exciting project. We have taken great lengths to make sure it meets and exceeds the needs of today's medical professionals from the moment they set foot in the door. The building is brand-new with the latest security and energy efficient building measures and since it is a medical campus we've added an automatic emergency back-up generator in case of power failures. Any medical professional looking for space in Naperville will be hard-pressed to find a higher quality campus," noted Ali Setork, Owner of DynaCom Management (<http://www.dynacomcenter.com/>).

Located directly across from Springbrook Prairie Forest Preserve, the iMed Campus is situated on 12 acres of land with 5 of those acres devoted to walking trails and a lake. The remaining 7 acres will house a 4-story building offering 72,000 square feet of [office space in Naperville](#). iMed Campus features convenient access to five nearby hospitals: Edward, Rush-Copley, Cadence, Advocate Good Samaritan and Adventist Bolingbrook.

DynaCom Management's new iMed Campus features:

- Convenient covered patient drop-off and pick-up
- 10-foot standard finished ceilings in all suites
- Indoor security cameras
- Energy efficient building
- Programmable lighting controls

- Web-based HVAC system
- Automatic emergency back-up power generator
- 4,000 AMP, 227/480 Volt electrical main
- Custom suites, up to 18,000 SF per floor
