/EINPresswire.com/ Los Angeles, CA (Submitpressrelease123.com - press release) [Garcinia Cambogia select](#), [Green Coffee Bean Max](#), [Raspberry ketone plus](#), and African Mango plus are most featured products of 2013 for losing weight fast. Weight loss is the biggest concern of many people nowadays, because due to busy routine, we hardly take out time for exercise and lack of exercise with frequent consumption of fatty food lead to ultimate weight gain. Variety of factors causes obesity.

Doctors suggest that you must burn more calories than your regular calorie consumption to keep yourself healthy and smart. Exercise is one way to burn calories but the other and natural way to burn calories is faster metabolism. These days products made from natural ingredients has gained the significant popularity among customers. These natural weight loss products are prepared to target the metabolism and speed it up.

Garcinia Cambogia Select is all natural formula made from the extracts of a fruit Garcinia Cambogia. It effectively reduces unwanted body weight by boosting metabolism process, maintaining a proper sugar level and by suppressing appetite. It promotes the secretion of serotonin and let you sleep well; enhance your mood so that you won't crave for food frequently. Garcinia Camogia is the next up and coming solution for effective and effortless weight loss.

The well-known product Green Coffee Bean Max is made from green coffee beans and is featured as Miracle fat burner. Clinically studies have revealed the great fat burning properties of Green coffee Beans. The product contains 50% chlorogenic acid, and helps to boost metabolism and leads to effective weight loss along with other lots of health benefits such as maintaining blood sugar, slowing down aging process and lowering the hypertension.

There are some products made from Raspberry ketones, an enzyme found from the fruit raspberry. The Raspberry ketone Plus is rated as the best product among them. Clinical studies and tests conducted on the compound Raspberry ketone have verified it as highly effective to promote the secretion of adioponectin, which is a protein hormone to promote the metabolic process for effective fat burning.

Made from African Mango extracts, this product is the latest breakthrough in weight loss products. Various clinical studies conducted on African Mango have revealed its ability to burn fat effectively. By boosting the metabolism, it effectively reduces unwanted body weight,

converting more food into energy and increasing the energy level of body.
